PUBLISHED ANNUALLY BY THE
JUNIOR CLASS OF
MARYVILLE COLLEGE
MARYVILLE, TENNESSEE

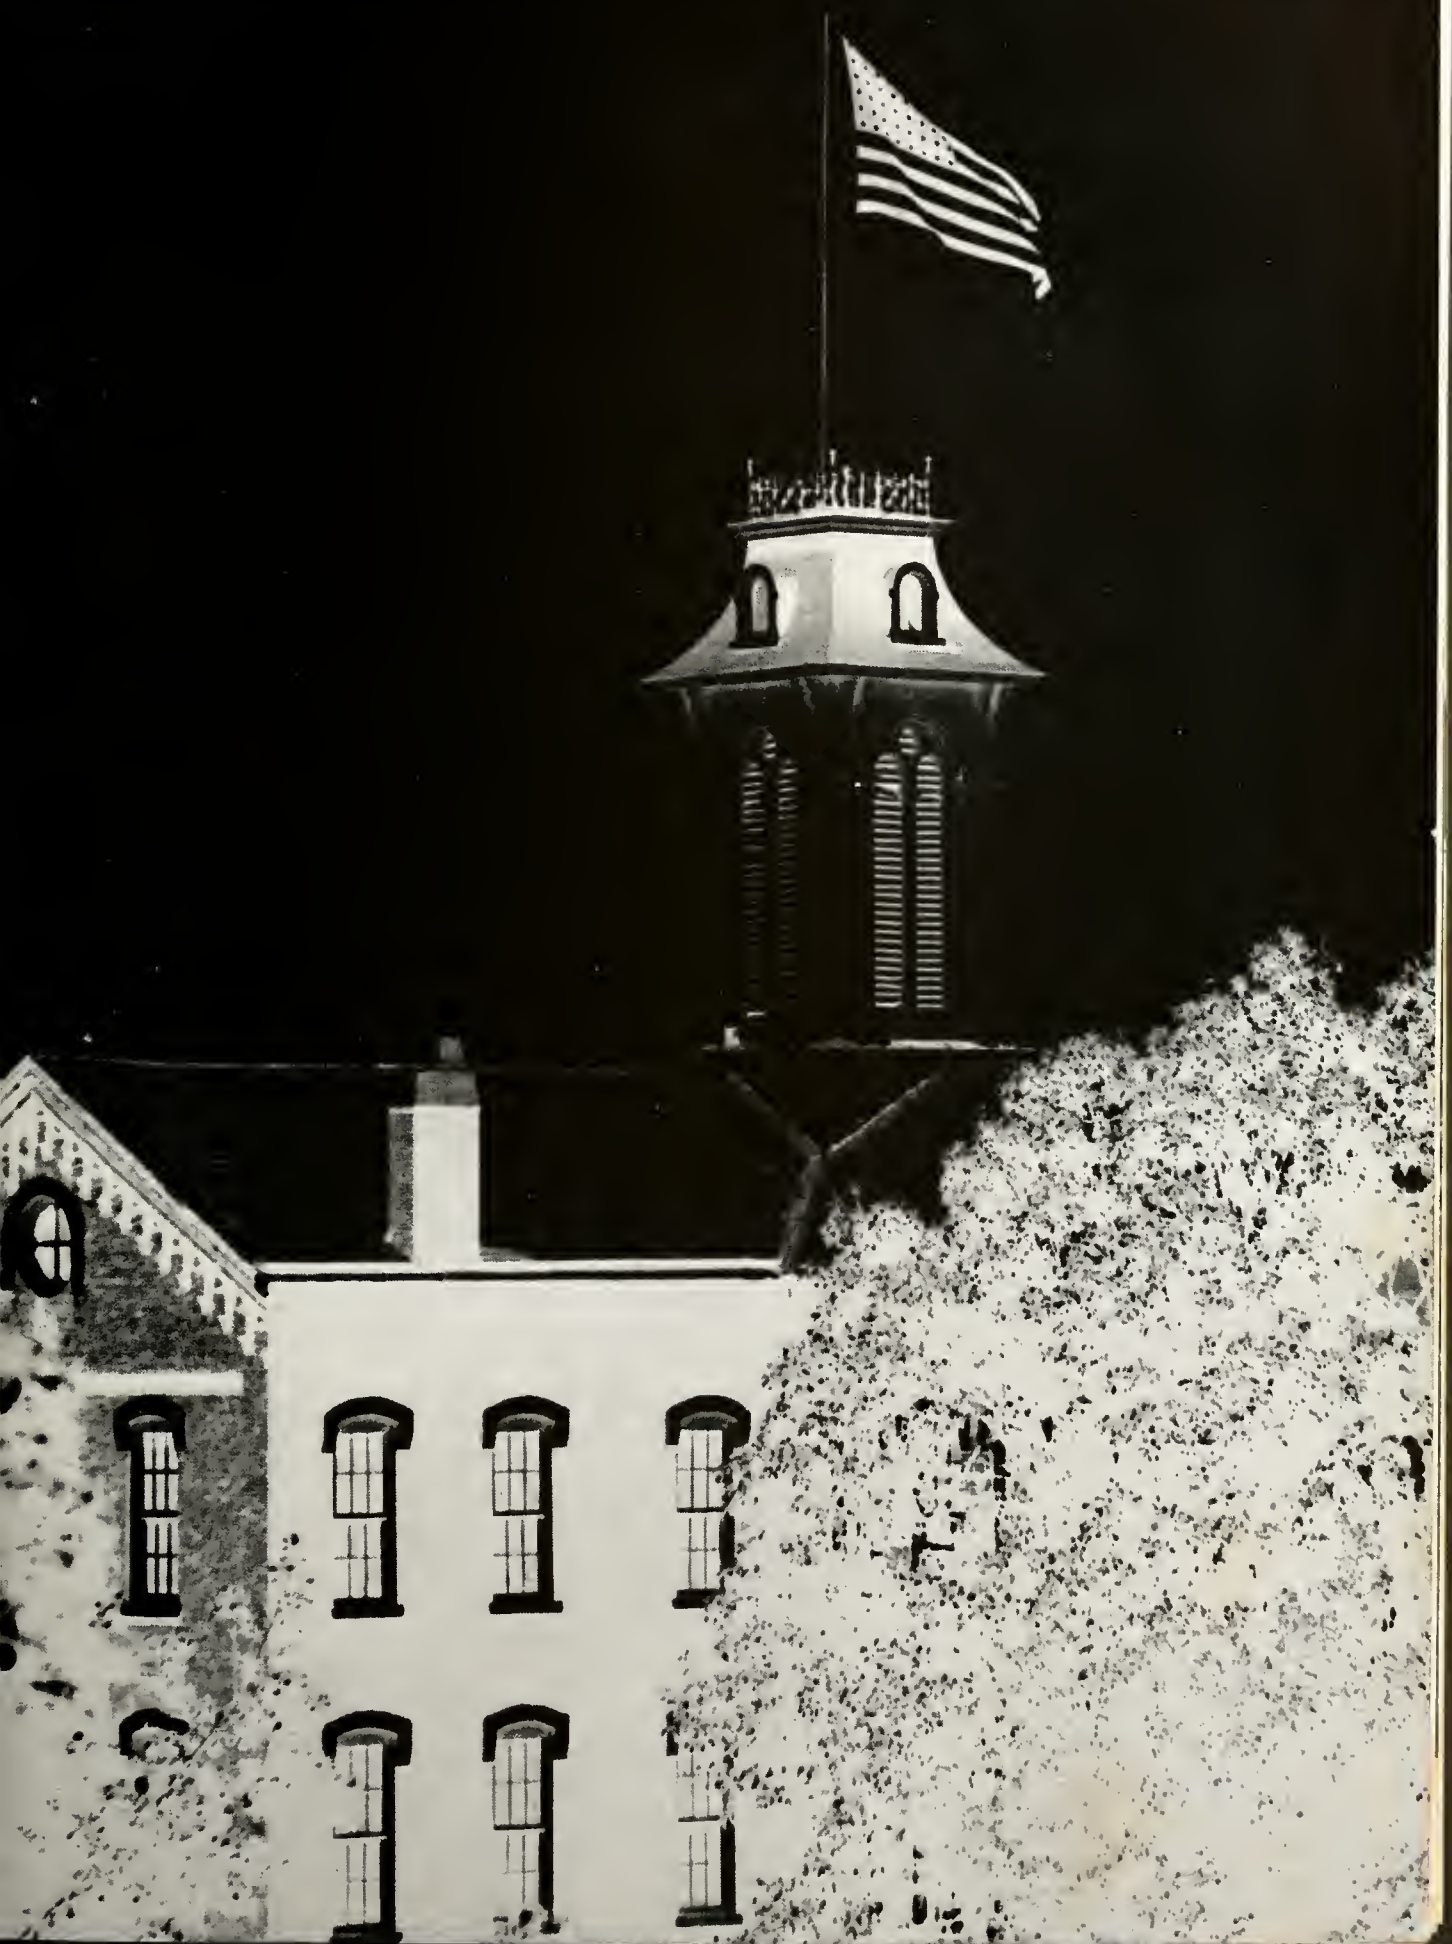

RUTH DEAN • EDITOR-IN-CHIEF
BARBARA COATES • BUSINESS MANAGER

Foreword

This 1958 CHILHOWEAN is a contribution of the Junior Class to the enduring record of our Alma Mater. Not only has this been another big year in world events—the International Geophysical Year—it has also been another big year on Maryville College Campus. To those who are leaving we say **bon chance!**, and may this book recall many pleasant memories in the years to come.

Fun and Friends

College life is composed of many different activities—mostly work in different shape, form and fashion. But there are also hours of fun and recreation at the Student Center, at parties in the Y rooms, in planning and helping with Barnwarming, Homecoming parades, Skit Night. On week-ends there are intercollegiate games and society meetings. If things get dull the Social Committee takes over.

Parties . . .

Sundays at M.C. belong to Church, Student Vol and Y meetings, and rest. Each new week is full and brimming for the students who attend M.C.—never a slow moment, and meanwhile, back at the dorms.

RALPH W. LLOYD

President

The job of college president carries many responsibilities along with it as well as recognition and honor. President and Mrs. Lloyd have been here 27 years and have given willingly of their time and effort towards the improvement of Maryville College and the widening of its circle of friends.

Deans

DEAN OF THE COLLEGE DR. FRANK D. McCLELLAND

Many times those who work hardest receive the least recognition. Dean McClelland is always busy doing his best to keep the college functioning smoothly—no easy task as everyone knows.

DEAN OF WOMEN MISS MASSEY

Counselor, helper and friend. One of the best known personalities on our campus. Both men and women students recognize Miss Massey's willingness to aid students whenever possible.

DEAN OF MEN MR. ARTHUR S. BUSHING

Mr. Bushing is a new addition to our administrative structure but he is well known and liked by those who have had classes under him. We wish him the best of luck in his new office!

Barnwarming

"TWO DIFFERENT WORLDS"

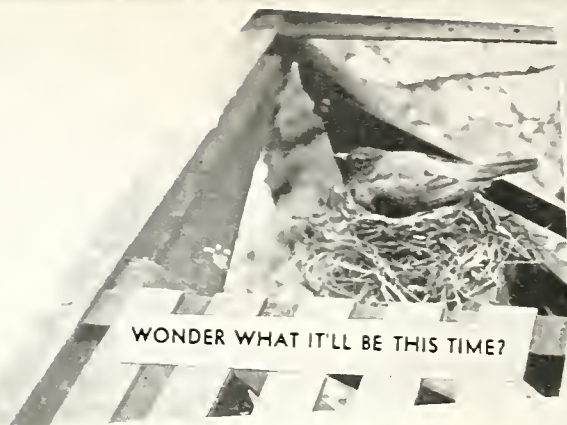

Slave markets, queenly palaces, secret passages, and dancing slave girls set the stage for "Two Different Worlds", the 1957 annual Thanksgiving presentation, Barnwarming. Under the authorship and direction of JoAnn Antes the show met with great success. Assisting her were Bob Wyman, Ron Lind, and Paul Bergmueller. The proceeds this year went to the Maryville Boy's Home.

Adding to the fun of the evening were the booths, most unique of which was the booth where the students demonstrated pre-exam frustrations by directing wet sponges at smiling instructors and "selected" students.

A delighted and satisfied audience left the gym that evening.

The Student Council

This group of campus representatives is chosen by the student body to work for a more satisfactory academic, social and spiritual program for Maryville College and its students. The group includes the four class presidents, four representatives each from the freshman and sophomore classes and five each from the junior and senior classes. To improve coordination between all areas of student government, the president of WSGA and of MSC are also included. The president and vice-president of Student Council are elected by the entire student body.

The president appoints the chairman of standing committees, such as Student Organizations, Social, Athletics, Pep, and others. Also he may set up other special committees whenever there is a need for investigation, setting up a project, or carrying through a program. Every Wednesday night at 8:30, these campus representatives gather at the Student Center to see how they can best improve relationships on campus. Co-operating with the administration in promoting matters of interest to the students and to the college, Council is every-busy. Council works closely with Student-Faculty Senate,

ROBERT GOODLIN
President

The Council in action.

and through Senate, with the Executive Council of the faculty.

An organ of student expression, Council is responsible for the Town Night agreement, for providing social activities, for coordinating the various club activities, and many other areas. This year the Project Committee has continued its Campus Beautiful Week and Council has succeeded in extending the Town Night privileges and in giving impetus to a Freshman Seminar Program to stimulate academic thought.

Council is still in a period of organization, but with assistance from the National Student Association it will continue to regulate all

campus events. Thus Student Council hopes to promote a feeling of responsibility in the students to work for those things which make a better college and more mature citizens.

Visitors are always welcome to sit in on Council meetings.

Providing a medium of self government for the women of the college, WSGA is composed of two representatives from each class, who present the problems and solutions from the viewpoints of four classes and three dorms. The function of WSGA is to see that rules are adhered to and to guard against impractical or obsolete rules being kept. WSGA continues to work with the women, the faculty, and student council to make sure that a good relationship exists between these groups in matters of on and off campus interest.

BRUCE LUNDBERG Chairman

FRANCISCO GARCIA Secretary-Treasurer

The Men's Student Co-Operative was formed to provide a medium of self-government for the men living on campus. It is intended that this organization will unify the men living in the dormitory and promote good will and responsibility within the group. It aligns itself with the general policies of the college and attempts to make dormitory life more conducive to the welfare of each of its members. Fourteen representatives make up the Co-Operative Council. This representative council assumes authority to govern in matters concerning the interest of men dormitory students within the limits established by its constitution, the laws and regulations of the college, and the executive council of the faculty.

Theta Epsilon, sister society to Alpha Sigma, co-sponsored Rush Week and the Spring Dance. Freshmen were introduced to "Toyland" as the initiates went to classes dressed as "Jack-in-the-Box."

Members worked hard on the Homecoming float, "cf. Gray Clarke." Later in the year the Theta banquet was held at the Capri. After Christmas, Thetas enjoyed a min-winter picnic in

the Y-rooms. Favorite activities, not only to Thetas, but to everyone on campus are the Powder-puff football and basketball games with Chi Beta and also the Skit night program presented in March. Theta Epsilon—through its weekly activities as well as special occasions, and through joint meetings and projects with Sig—has proved to be an integral part of Maryville College. Every year a Sig Sweetheart is chosen from Theta Epsilon. This year Miss Joyce Trautwein was presented at the Sweetheart festivities in February.

The sign of the hammer and the cry "Hammers Up" signals the approach of a Sig. This year, with their sister society, Theta Epsilon, Alpha Sigma presented a delightful and colorful Rush Week production entitled "Toyland," one of the highlights of the first semester.

Competition between Kappa Phi and Alpha Sigma in the annual Stinkin Shoe Classiques supplemented a strong intramural program.

"Opening Night" the theme of the Sweetheart Show was a surprise and delight to all who attended. The Spring Formal, the Spaghetti Dinner, and Skit Night all proved to be rousing successes for the Sigs.

Through its good fellowship and spirit, Sig never fails to make its presence known in many ways throughout the year.

Excitement prevailed at the first of the semester when Bainonian announced the changing of its name to Chi Beta. This new name carries on the past meaning of "going forward" and becomes "sisters going forward". The girls kept the spirit going as they pitched in with Kappa Phi for a very successful Rush Week. Transformed into a miniature Hollywood, the campus buzzed with activity as "Hollywood Daze" unfolded. This year was found an active spirit as the chapters became a more vital part of the society. Outings and friendly rivalry between the chapters typified this new spirit. Skit night, the powder Puff game, joint meeting with Kappa Phi, regular meetings, and work parties provided ample opportunity for fun and fellowship. Green and blue lights, a crystal mobile, and gaily colored fish helped present the illusion of being under the sea at the fall formal presented jointly with Kappa Phi. All this provides unforgettable memories for the girls.

Kappa Phi, the "society of friends", carries the meaning of its name into all of its activities. The oldest society on campus, in their own house with TV and lovely furnishings, Kappa Phi plays an important part in campus life. Kappa Phi and Chi Beta, its sister society, began and ended the first semester in big ways, opening with the Rush Week production, Hollywood Daze, and closing with Emerald Fantasy, the fall formal. Friendly competition prevailed as Kappa Phi met Sig in the annual Stinking Shoe Classiques. Other activities such as the spaghetti dinner, choosing of six Leading Ladies from the seniors of Chi Beta, weekly meetings—sometimes with Chi Beta—TV watching and Skit Night highlighted the year. All of these activities are but the outward signs of the inner bond of fellowship for which Kappa Phi is known.

The uniting of women students in a desire to realize the fullness of life through a knowledge of God and to help make this life possible for all people is the purpose of YWCA. The Maryville College branch of the YWCA is open to all Maryville College Women students and faculty desiring membership. Included in the projects of Y are the Fred Hope Fund, which again this year was given to the Dr. Dorothy Lee Ferris Christian Hospital in Ferospore, Barnwarming, work with the three local home missions, and joint publication with YM of the M Book. In these functions YWCA has proved to be one of the most beneficial organizations on campus.

Corresponding to the YMCA Ten Key Men program is YW's highly effective branch, Nu Gamma, consisting of 15 Sophomore girls. Nu Gamma leaders are chosen for their qualities of friendliness, leadership and high Christian character. The task of each Nu Gamma leader begins in the summer when she writes to her ten or more freshman girls. As the year progresses such things as the tea at Morningside, a special Y program, and the second semester Hen Party, where men are present in word only, add to the effectiveness of the program. Nu Gamma is and always has been the Freshmen's source of information as to dorm life and will continue to serve the campus in this manner.

Seeking Christian growth and development, YMCA, active on the campus and in the community, works to fulfill the Christian needs of the men at Maryville. In co-operation with YW the Y sponsors an extensive welcome and orientation of the freshmen and transfer students. Important aspects of the regular program during the year are Barnwarming, the Fred Hope Fund Drive, weekly all-campus Prayer Meetings, publishing of lenten season pamphlets, mission work, and operating the Y store with YW. A retreat to Laurel Lake every spring is of great inspirational value to YM and YW Cabinets with Nu Gamma leaders and the Ten Key Men. This is a time for discussion of the past year and planning of the year to come.

CLEM BIRKELBACH

JERRY PLATZ

The Ten Key Men are a very important branch of the YMCA program. This is a group of the ten men considered by the Vice President to be the most qualified members of Y. The work of these men begins in the summer when each member of Y who volunteered is assigned a Little Brother in the incoming class. It is the job of each Big Brother to help in the orientation of each new student, writing them in the summer, welcoming them in the fall, and telling them about life on the hill. Part of this program of welcoming is the Watermelon Pow Wow where brothers, Big and Little, will have a chance to get acquainted. This is only the beginning. During the rest of the year, through their examples, their ready helping hand, and their abilities acquired through previous years of experience, these men continue to serve in any way they can.

The Pre-Ministerial Association of Maryville College provides Christian fellowship for those who are studying for the ministry. Interesting speakers from various seminaries and churches take part in the meetings which are held twice a month. Besides the regular meetings, Pre-Min participates in the intramural sports program, collects seminary catalogues to help members make their choices, and holds an annual spring banquet. The motto of the Pre-Mins is "Study to show thyself approved unto God." It is carried out in the activities of the group which include visiting the local jail on Sundays to preach, taking an active part in the All-Campus Devotions Committee, and sponsoring noon services for everyone during Easter Holy Week.

Anyone interested in medicine, either professionally or otherwise, is welcome in the pre-med club. Discussion, films, trips to hospitals, and special speakers make this an educational and informative organization. Newest developments in medicine, interesting cases, and relative material are studied by the members.

Maryville Players

Anyone who likes to act, paint backdrops, build sets, work with lighting, or just work will find a home in playhouse. Playhouse membership is open to any student on campus. Members accumulate points to become players, then masterplayers, and may be admitted to membership in Theta Alpha Phi, the national honorary drama fraternity.

Playhouse major productions for 1957-58 were: fall-"Juno and the Paycock", by Sean O'Casey; spring-"Loyalties", by John Gals-

worthy; and Commencement "Twelfth Night" by William Shakespeare. All were directed by Kathleen Craven, head of the Speech and Drama Department of the Fine Arts Division.

Last winter the cast and crew of "Cinderella" (see photos on these pages) went "on the road" to Oak Ridge to perform for the AAUW. The "road company" was successful despite rather damp scenery, actors, and pumpkins.

Scenes from "The Lark" by Jean Anovilk, "Calvalcade" by Noel Coward, "The Green Pastures" by Marc Connelly, "St. Joan" by Bernard Shaw, and "The Dark is Light Enough" by Christopher Fry were student directed for Experimental Theatre.

All in all this was a good year for Playhouse and many working in the productions as well as watching them.

The Vesper Choir is considered by many the pride of Maryville College. It is definitely one of the most outstanding organizations on campus and probably the most famous. The choir's sixty members are picked every fall, through very rigid and extensive try-outs, by the very able director of the choir, Mr. Harry H. Harter. Local concerts, Vespers and one extensive choir tour each year make up the activities of the choir. The good reputation of this singing group has been carried from Alabama to Canada on these tours. The group specializes in sacred music. Several recordings of the performances of the Vesper Choir are available.

Men's Glee Club

Under the direction of Mr. Dan Kinsinger, this music club sings on various occasions including several times at Vespers throughout the year. It teams up with the Women's Choir for special programs such as the annual operetta. The group consists of all men on campus who are interested in singing and can do a good job of it.

Nothing sounds better than a fine chorus composed of male voices, and Maryville students are just the audience for such music. It is hoped that even more men will become interested in singing with this group. Taking part in such activities increases a student's appreciation for the finer arts and gives him a fine feeling of accomplishment.

Women's Choir is an organization for those who like to sing for pleasure. The Women's Choir joins with the Men's Glee Club in presenting an operetta annually, giving occasional concerts, and providing special music for Vesper Services. Under the able direction of Mr. Dan Kinsinger this group is one of the most popular musical activities on campus.

Maryville is fortunate in having three fine choirs which work together to give pleasure to the musically minded here on campus, in churches, and in musical programs. One of the most beautiful programs of the year is Christmas vespers when all three choirs present a program using individual candles for lighting. The effect is not one that is soon forgotten, and the program gets Christmas vacation off to an excellent start by setting the Christmas mood.

Bottom: "Messiah" Solosists

The presentation of Handel's "Messiah" each year is a great Maryville College tradition. A lot of hard work is put into the rehearsals which begin long before the actual presentation. Traditionally this beautiful oratorio is given two Sundays before Christmas

holidays. Under the direction of Mr. Harry H. Harter, the Vesper Choir, the Men's Glee Club, the Women's Choir, the College Orchestra and others from the campus and the community combine their efforts to make M.C.'s presentation of the "Messiah" the great accomplishment that it is.

Highlander Band

A colorful and lively spectacle to both students and visitors, the Maryville College Band adds much to the general atmosphere of the campus. Dressed in kilts, the band upholds the Scottish tradition of M.C. at football games, concerts, and on the campus in general. The "Highlanders", under the competent direction of Mr. Ralph Moore are noted for their excellent performances.

Left to Right: Ann McLeod, Nancy Jones, June Keeny, Carolyn Gass, Susan Short.

Orchestra

A fine cultural aspect of Maryville College, the orchestra is made up of both students and faculty members. The orchestra is under the direction of Mr. Ralph Moore, and presents two programs of classical music each year, accompanies the annual presentation of Handel's "Messiah," and also accompanies an outstanding senior music major in the performance of a concerto.

Majorettes

No band is complete without its majorettes, and the Highlander Band has some very talented and attractive ones. These girls are chosen for their ability during tryouts and work hard all year in order to present a fine show for the spectators.

Writer's Workshop

Organized in 1921, Writer's Workshop is a literary organization of note at Maryville College. Its membership is limited to twenty-five, all of whom must be Juniors, Seniors, or Faculty members. New members are elected on the basis of manuscripts submitted to a committee appointed to work on membership. The manuscripts are read and judged by the committee. This organization provides

excellent opportunity for creative writing and constructive criticism. Each member must present an original composition each semester and criticize the work of another member. Workshop is headed by a governing board which conducts meetings and handles membership details. The official publication of Workshop is "Chips", which contains the year's best pieces and is made available to the students every spring.

Art Activities

The Art Club, under the sponsorship of Mr. and Mrs. Beard, meets once a month. Its members consist of art majors and others interested in art and its various fields.

Several times a year interesting and informative art displays are held in the Fine Arts

Center. The students also exhibit work which they have done throughout the year. The exhibits are of interest to all students who seek to broaden their knowledge and their culture. The works are explained through lectures and readings.

Sports

A Tribute

Lombe Scott Honaker has become a living legend at Maryville College. In his 37 years as head coach of our baseball, basketball and football teams he has compiled a remarkable record. He is now called the Dean of Small Southern College Coaches.

Coach Honaker was born in Rocky Gap, Virginia. He graduated from Roanoke College in 1912. After his graduation, he coached three years at a prep school in Tennessee, two years at Southwestern College in Texas, and three years at Lincoln College in Illinois. In 1921 he came to Maryville as head coach in football, basketball, and baseball.

Since 1921 Coach Honaker built winning ball clubs with only average material. After World War II the vast majority of the teams the Honakermen faced gave athletic scholarships. This hurt many small schools and they had to drop intercollegiate sports, but under Coach Honaker Maryville was able to keep up with its sports.

Football was Honaker's so-called "worst" sport, but there would be a very few coaches who wouldn't

be willing to change their lifetime record with his. Many big Universities such as Tennessee, Kentucky, and Mississippi State fell in defeat to his teams. In 1924 the Scotties set a school scoring record by mauling Union College 102-0. Honaker's best season was in 1946 when he took an undefeated team (9-0) to the Tangerine Bowl in Florida. Big-time football finally took its toll on the Scotties but Maryville's fiery little coach kept a determined and challenging ballclub on the field every year he served as coach.

Very little has ever been mentioned about Coach Honaker's basketball squads. But there's many a player from UT who'll never forget their losses to his celtic teams. In 1935 the New York Celtics, who were World's Champions, invaded Maryville. It took everything the Celtics had to edge out the Scotties 38-34. The Highlanders set a new scoring record in the last basketball game he coached (1957) by defeating Chattanooga 119-83.

Football may have been his main reason for coming to Maryville but baseball ended out being his best sport . . . and he's still coaching baseball. Some of the teams to fall before the Honakermen were Michigan State, Ohio State, Cincinnati, Indiana, and Tennessee. Coach Honaker sent many players to the big leagues, his prize being John Stone of the Washington Senators. Our own Coach Davis played in the minor leagues. Before Maryville dropped out of the Smokey Mountain Conference in 1940, Coach Honaker's teams won the baseball championship 17 out of 20 years. His two latest ball clubs of '56 and '57 turned in records of 11-6 and 12-5. Coach Honaker really knows baseball.

This year J. D. Davis took Lombe Honaker's place as head coach in football and basketball. Coach Davis has good experience behind him. He played quarterback on Maryville's football team and was

to Coach Lombe Honaker

starter on the basketball squad all four years. He was All-Smokey in basketball. He was also an excellent baseball player. After his graduation in 1929, he coached here a few years and then played professional baseball. He returned to Maryville and has

coached here ever since. Stepping into Lombe Honaker's place is going to be hard, but the Maryville fans can be sure that Coach Davis will give everything he possibly can to keep the sports alive at Maryville.

Maryville College

After Lombe Honaker's 37 years as head football coach, this year J. D. Davis took over the reigns as head mentor. Marvin "Big Mitch" Mitchell came to us to serve as our line coach. Last year he was head football coach at Rule High School in Knoxville. Tom Cragen continued as assistant football coach for the Highlanders.

In their opener the Scotties took a liking to the water and downed Tennessee Wesleyan 14-7. Many freshmen saw action as starters and substitutes in that game. Earl Smith and Ken Chambers scored our two touchdowns. Buddy Beam kicked both extra points.

At Morehead (Kentucky) a much heavier team than our Scotties pushed over two second half scores to beat us 12-0. Beam, along with Jim Cates and John Hawkins played a very good defensive game. Chambers and freshman fullback Bob Cross led Maryville's offense.

In a steady downpour the Scotties took advantage of every break to defeat the famed "Praying Colonels" of Centre College 19-7. Cross, Beam, and Earl Lawson scored our three TD's.

The Asian-flu took its toll on the Highland-

ers as Jacksonville State eased to a 20-0 win. The flu kept many of the Scotties out of action for about one month.

Many sick boys got out of bed to play in our Homecoming game with East Tennessee State. But the Bucs scored in every period to roll over us 40-0.

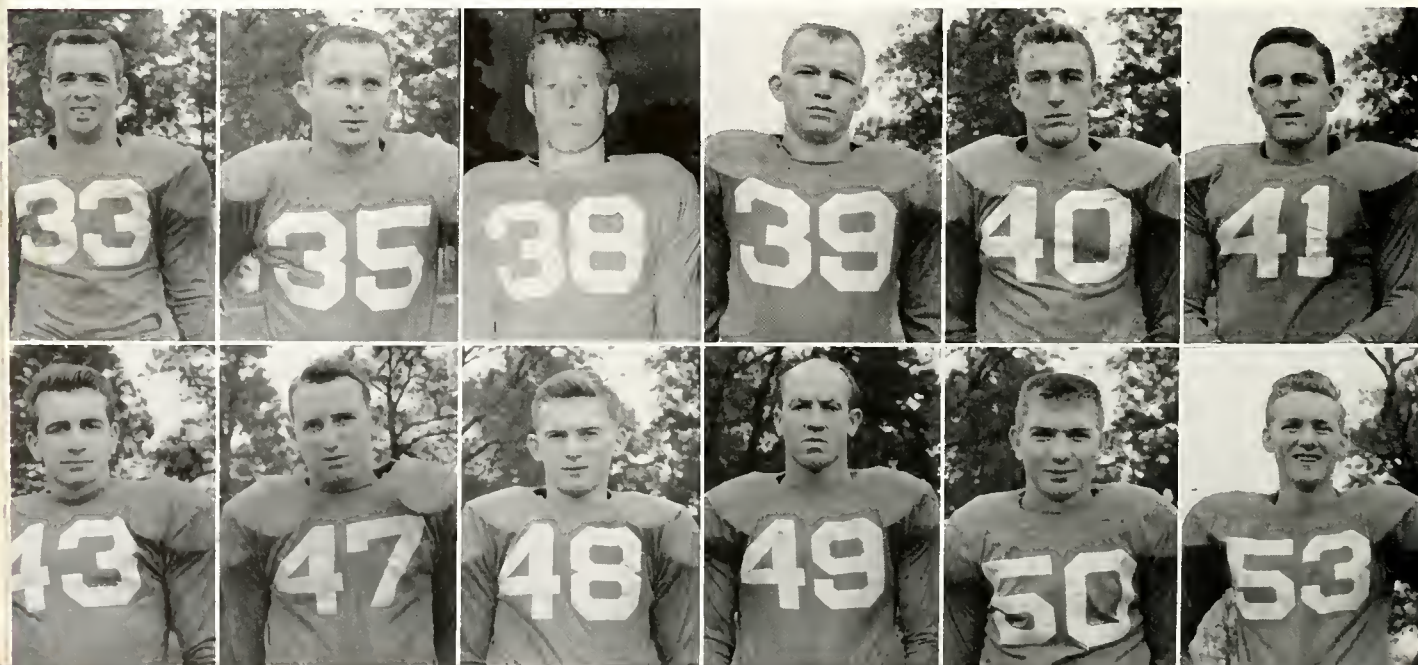

Emory and Henry took every advantage of the Highlander's handicapped squad to defeat them 48-13.

Many costly penalties, including two that called back Maryville scores, ruined Maryville's chances for a comeback, as a weak Howard eleven downed them 20-7.

The surprise of the year came at Concord State when the Scotts abandoned the traditional single-wing in favor of the T-formation. Maryville scored in each quarter to defeat Concord 25-6. Lawson scored two TD's while Jack Woodhull and Earl Smith added the other two scores.

Carson-Newman came to Maryville favored by as much as 30 points. But it took a pass in the last 15 seconds to tie the Scotts 13-13. Surprising the Eagles with the T-formation, Earl Lawson scampered 30 yards for a touchdown on Maryville's first play from scrimmage. Later in the period fullback Chambers took a handoff and bulled 27 yards for the Scottie's final score of the year.

On the first play from scrimmage, Earl Lawson sprints 30 yards for the first Scottie TD against Carson-Newman. Other Maryville players are Beam (61) and Cates (behind Lawson).

Considering four straight losses because of the flu, Maryville's 3-5-1 record wasn't bad at all. Beam, Cates, Harris, West, and Lawson will be lost to next year's squad, but a big part of the team is returning. Under the leadership of their new co-captains, John Hawkins and Earl Smith, the Scottie's 1958 team may be one of the best in years.

Basketball

After a slow start the Maryville five started working together well. The freshmen studded Scotties lost their first six games. Tennessee Wesleyan took advantage of their inexperience, downing them 89-74. On the road the Scotts fell to Tusculum 84-74, Georgetown 102-58, Centre 84-74, and the Tennessee Volunteer freshman squad 88-61. The second semester started with another loss to the Vol freshman squad 103-69. The Emory and Henry quintet became the Scott's first victims by a 71-65 score. Three more Scottie losses were soon put in the record book. King, Tennessee Wesleyan, and Tusculum downed them by the respective scores of 72-52, 71-61 and 81-71. A much improved Maryville basketball team trounced Emory and Henry for the second time by an 87-71 margin.

Inexperience seemed to be the big trouble. Two of the five starters were freshmen. Guard John West was the quintet's only senior. Freshman Bill Owenby at forward and sophomore Neal Wormsly at guard both played excellent ball and ranked high in the scoring column, averaging around 25 pounds a game between them. Bill Crisp and Keith Day, both freshmen, looked good as they alternated in the other forward spot. But the player to watch was Maryville's junior center, 6'1" Tom Morris. At the time for the printing of the annual, Tom was leading the East Ten-

Coach Davis has reasons to look forward to next years team. He will lose speedy John West but has many good looking prospects to compete for John's position. With four regulars returning, the outlook for the '58-'59 season looks very good.

Wrestling

In their first five meets the Scottie grapplers won only once. But in spite of their losses, some of the Maryville boys looked as though they had a good chance to win in the SEAAU tournament.

In their first meet the Knoxville "Y" defeated them 18-16. On a return match in Maryville, the Scotties downed them 16-14. On a trip to Chattanooga, Maryville lost 19-10. Next the Auburn Tigers invaded Maryville and downed the Scotts 27-5. Maryville's

only five points came from their heavyweight John Hawkins who pinned his man in the first period. The Highlander's next foe was Chattanooga. Dave Williamson surprised their 127 lb. SEC champion by pinning him in the second period. Jimmy Harris also pinned his man in the 167 lb. division. Chattanooga's heavyweight saved a 15-13 victory for them as he actually moved away every time Maryville's John Hawkins came near him. Appalachian, Sewanee, Emory, and the SEAAU tournament were yet to be faced by the 1958 Highlander squad.

Baseball

A record of twelve victories against five losses was attained by the 1957 Scottie nine. Coach Lombe Honaker's men showed their opponents that the "hit and run" and "suicide squeeze" were two of the most important plays in baseball.

Good pitching performances were turned in by Maryville's mound staff. Earl Lawson won the most games with four victories to his credit. Fred Tepper, Clifford Evans and Max Williamson won two each while Mac Johnson and John West chalked up one victory apiece. Mike Talley led the batters with a .407 mark. He was followed by Harris (.386), Dent (.379), Hill (.350), and Woodhull (.339). The team had an overall batting average of .289.

Two of Maryville's biggest victories of the season were the 8-5 decision over Eastern Kentucky State and the 2-1 edging of ETSC. Tepper won both games. The most exciting game of the year was the 7-6 victory over Carson-Newman. Lawson won his own game by knocking in the winning run in the last of the ninth inning.

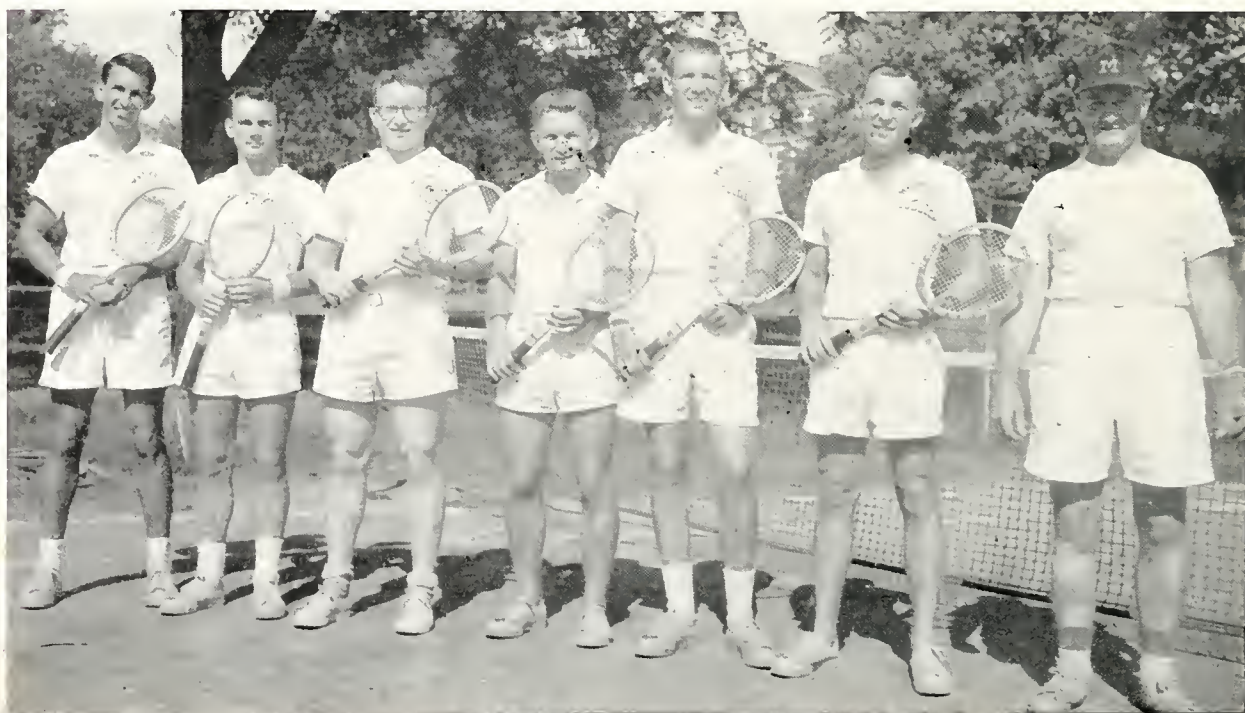

Tennis

An even five and five record was compiled by the 1957 Scottie netmen. Their first match was with a strong University of Tennessee. The Volunteers completely dominated the nets, defeating the Highlanders by a 0-9 score. Maryville rebounded from that defeat to win four straight matches. They defeated Tennessee Wesleyan 6-1, Lincoln Memorial University 7-2, Carson-Newman 5-4, and King 7-2. Falling into a slump, Maryville lost four in a row to East Tennessee State, Carson-New-

man, Sewanee, and Tennessee Wesleyan by the repective scores of 0-7, 3-6, 0-7, and 2-4. The Scotties came out of their slump to defeat Chattanooga 8-1 in their last match.

Maryville's squad of Stan Mont, Ted Engle, Bill Bolger, Bruce Ingles, Jim McCall, Mike Mathews, and Bruce Lundberg made up a well rounded team. The 1958 netmen will have Mont, Engle, Mathews, and Lundberg returning to the courts. They will be under the leadership of Dr. Case, who is taking Coach Johnson's place.

First Row: Waters, Morris, Crissman, Garrison, Williams, McFarland, Nix, Dixon, Second Row: Buddle, Finertie, Wiley, Strickland, Cates, Muir, Vanderberg, Coach Johnson.

The 1957 Scottie track team had another great season. In the opener, Maryville gave a strong East Tennessee State College a big scare but lost to them 78-53. From then on the Scottie thinclads were unbeaten. They scored two victories over Tusculum by the scores of 80-51 and 100½-30½. Milligan fell twice to the Highlanders by the scores of 68-62 and 79-52.

Big Bill Strickland was Maryville's leading scorer, amassing 60 points, including 11 first places, in field events. Don Vandenberg was second with 46 points. In 10 attempts of the one-and two-mile runs, he came in first place eight times. Joe Williams captured the spotlight by tying the school's 880 record of 2:0.6. Lew McFarland missed the 440 record by four-tenths of a second. Tom Morris gave Sizemore of Milligan a taste of his first college defeat, outrunning him in the low hurdles.

Jerry Waters, Bill Strickland, and Bob Finertie, all very good on various field events, will be lost for the 1958 squad. But they will have John Kelly and a few promising freshmen to compete in those events. All of the Scottie's runners are returning. Maryville, under Coach Mitchell, who is taking Coach Johnson's place, look as though they will have a good year in 1958.

Soccer Team

Maryville may have instituted a new sport in the East Tennessee area. The Scotties played the first intercollegiate soccer games of the area against King College of Bristol, Tennessee. Although Maryville lost both times by the score of 3-2 and 3-1, they already seemed interested enough to be planning a schedule for next year. Under the direction of Mr. Navratil and their captain, Lee Chai of Korea, it looks as if though we may have a new and popular sport brought to Maryville.

Cheerleaders

Pep Committee

Helping to make the Maryville sports program attractive and interesting, the Pep committee handles field decorations, pep rallies, and post-game dances. Their most important project is the Homecoming Weekend, a successful and exciting highlight of the first semester.

"Howie, Howie . . ." the crowd roars as they with the cheerleaders urge the team on through stiff competition and rainy weather. This energetic group of eight, four fellows and four girls, were undying in their spirit at each game.

Women's

The Chillies and the Howies are two groups within the Women's Athletic Association which engage in friendly competition to win a trophy for each sport which the girls participate in. These include volleyball, soccer, basketball and softball. The trophy is placed in the WAA trophy case and the winners names are posted.

The groups meet twice a week on Tuesdays and Thursdays. All girls on campus are welcome to join. Besides the four major sports mentioned above, the Chillies and the Howies engage in hiking, swimming, stunts and track. The purpose of the group is to produce a total fitness and to develop the most desirable and

attractive physical, mental, and social qualities, and provide an enjoyable use of leisure time.

The girls are awarded points for all their accomplishments. At the end of the year the points are added up, and girls who have a sufficient number are awarded a letter, a

sweater, or both, and membership in the Women's M Club.

Realizing that sportsmanship is one of their most important goals, the Chillies and Howies begin their contests with a rousing cry of "A winner never quits, and a quitter never wins!".

All women students who are willing to participate in good healthy fun and who have earned their letter are members of the M Club. To be qualified a prospective member must have compiled 400 or more points through competition in W.A.A. The women in M Club place emphasis on sound minds and sound bodies. The activities of this group include weekly participation in sports activities, monthly business discussions, and a week-end hike in the Smokey Mountains every semester. Letters and sweaters are worn by the members showing their rank of achievement.

The intramural program offers many sports and activities for the men in school. Touch-football, volleyball, basketball, wrestling, softball, track, swimming, and badminton are all offered.

The YMCA, Pre-Mins, Alpha Sigma, Kappa Phi and men from town form teams to compete in the leagues. In the fall, the Alpha Sigma Sledgehammers won the football trophy while the Rosebuds, an independent team, captured the volleyball trophy.

At the end of the year, the YMCA honors the intramural athlete who shows the best sportsmanship.

THE MARYVILLE COLLEGE MAID SHOP

Maryville College is proud to have its name carried to many parts of the world under the label of the College Maid Shop. In war and peace, College Maid has served well the many individuals and agencies that look to her for nurses' uniforms.

The Maid Shop is a vital part of the Student Help program, but making money is not the only service to the college girls. Thru the use of shop equipment College Maids are able to make many of their own clothes and the clothes for others. The shop is proud of the expert seamstresses it has produced and many comments from satisfied customers attest to the value and efficiency of this training.
